At the meeting of the Nogales Chamber of Commerce held on Thursday (Feb. 16) the members voted in favor of all measures submitted by the Chamber of Commerce of the United States for the benefit of the ex-service men of the country. The following questions received a favorable vote:

Do you favor a national system of reclamation to be initiated through adequate federal appropriations and to be carried out for the purpose of affording ex-service men opportunity to cultivate the soil?

Do you favor national legislation and appropriations to enable ex-service men to build homes?

Do you favor national legislation and appropriations to enable ex-service men to obtain vocational education?

Do you favor national legislation for a general bonus, whether paid in cash immediately or with payment deferred through use of certificates?

### MUST PAY GRAZING FEES.

Tucson, Feb. — Notices were mailed out yesterday to those delinquent in their grazing fees for the year 1921 to the effect that unless the fees are paid at the local United States Forest Service office before March 1, or a proposal of settlement submitted by promissory note, such delinquent permittees might become defendants in trespass proceedings.

Deputy Supervisor F. L. W. Grubb, who for the past few weeks has been busily engaged in examining applications for grazing, declares that in addition to the delinquents becoming liable to trespass proceedings, such permittees run the chances of having revoked any grazing preference held by them.

Some time ago information was received by the local forestry office that the agricultural department, in view of the adverse conditions surrounding the stock raising industry the past couple of years, would accept a proposal of settlement prior to March 1, 1922. It is necessary that the proposal be accompanied by a promissory note due on or before June 30, 1922.

This action was taken by the agricultural department for the purpose of giving financially embarrassed stockmen a chance to retain their grazing permits. However, all stock raisers who are financially able are requested to pay outright their indebtedness for last year's grazing permits.

Mr. Grubb declares that the sum represented by the 41 delinquents is approximately \$6000.

### CATTLE COMPANIES GET LOAN.

Tucson—The Arizona Land & Cattle Company and the Las Jarrillas Cattle Company, were favored recently with a loan jointly in the sum of \$350,000 as a result of the activity of the war finance corporation. Munch of Phoenix, inspectors for the war finance board.

The holdings of the Arizona Land and Cattle Company and the Las Jarrillas Cattle Company comprise the largest and most extensively stocked ranches in Arizona, with one of the largest Hereford herds in the state.

## Why Suffer?

Cardui "Did Wonders for Me," Declares This Lady.

"I suffered for a long time with womanly weaknesses," says Mrs. J. R. Simpson, of 57 Spruce St., Asheville, N. C. "I finally got to the place where it was an effort for me to go. I would have bearing-down pains in my side and back — especially severe across my back, and down in my side there was a great deal of soreness. I was nervous and easily upset."

The Woman's Tonic

"I heard of Cardui and decided to use it," continues Mrs. Simpson. "I saw shortly it was benefiting me, so I kept it up and it did wonders for me. And since then I have been glad to praise Cardui. It is the best woman's tonic made." Weak women need a tonic. Thousands and thousands, like Mrs. Simpson, have found Cardui of benefit to them. Try Cardui for your trouble.
